Daycare center 'Im Ruhrfeld', Meckenheim

the project

The building 'Im Ruhrfeld' was initially used as a school and then as an office building for the city administration of Meckenheim. A part of the building will be converted into a 3-speed day care center.

access area

group room

our work

A differentiation and sleeping area as well as a storage room are assigned to the three group areas. A terrace is placed in front of them. The sanitary areas are centrally located.

In the gable facade, window-door combinations are implemented for illuminating the group rooms, for direct access to the outside area and as escape routes.
